Subject: CA History – Social Science Curriculum Content in Elementary , Middle and High School in reference to the Sikh Faith and heritage

Dear Dr.Adams,

I wanted to thank you in advance for the wonderful proactive work done by you for years to incorporate the contributions of the Sikh Americans in the state's educational curriculum.

The American Sikh Council a national association of Gurdwaras and Sikh institutions was recently made aware of some disconcerting comments and possible changes being made by a few vested non-Sikh groups, trying to redefine the Sikh Faith and dilute our proud contribution to this great nation. On behalf of the American Sikh Council I would humbly request that our genuine and serious concerns be looked into by your office at your earliest convenience.

Thanking you and looking forward to working with you towards a brighter future for our nation.

Respectfully,

Kavneet Singh
